P. P. F. Lippman's Great R. med.

Is the greatest blood purifier in the
world; superior to all other purifiers, for the
cure of scrofula in its worst form;
gout, hip disease, swollen neck, run-
ning sores, etc. It is a complete cure. Sold by all
druggists.

Miss Ida Hastings, Savannah, Ga.,
says she was suffering all the torture of a
terrible case of scrofula, and no relief
could be obtained until P. P. F. Lipp-
man's Great Remedy was tried; the re-
sult was a complete cure. Sold by all
druggists.

Healthy kidneys filter the impurities
from the blood, and unless they do this
good health is impossible. Foley's

will positively cure all forms of kidney
and bladder disease. It strengthens

**Sour
Stomach**

No appetite, loss of strength, nervous-
ness, headache, constipation, bad breath,
general debility, sour risings, and catarrh
of the stomach are all due to indigestion.
Kodol relieves indigestion. This new discov-
ery represents the natural juices of diges-
tion as they exist in a healthy stomach,
combined with the greatest known tonic
and reconstructive properties. Kodol for
dyspepsia does not only relieve indigestion
and dyspepsia, but this famous remedy
helps all stomach troubles by cleansing,
purifying, sweetening and strengthening
the mucous membranes lining the stomach.
"I was troubled with sour stomach for twenty years.
Kodol cured me and we are now using it in milk
for baby."

Kodol Digests What You Eat.

Bottles only. Relieves indigestion, sour stomach,
belching of gas, etc.

Prepared by E. C. DEWITT & CO., CHICAGO.

Sold by The J. F. Crow Drug Co.

Some irrelevant newspapers are
now referring to the Hague as "The
War Conference."

Col. Roosevelt and Col. Bryan
are not bothering so much over
who said it, as over who said it
first.

"We shall meet, but we shall
him," will be a popular song dur-
ing the Kentucky Home Week.
The reference, of course, will be to
Governor Taylor.

France has persistently disap-
pointed both London and St. Pe-
tersburg by not getting any of the
familiar "regret to report" dis-
patches from Morocco.

A Southern contemporary re-
marks that Judge Parker is just as
available as a Presidential possi-
bility as he ever was. Let's see,
that was about 8,000,000 votes shy,
wasn't it?

Col. Bryan, according to the
book reviews, is starting in to write
the history of the Democracy.

There is only one thing to be
hoped, and that is that the Colonel
is a whole lot better political his-
torian than he is a political
prophet.

The army is experimenting with
a new contrivance designed to lo-
cate a hidden and hostile battery.
Since the advent of smokeless
powder, war has become more
what Gen. Sherman said it was
than before. It will be recollected
that he said it was h—l. Troops
that could stand pretty well being
shot at when there was smoke to
tell where the shooting came from,
were uncomfortably nervous when
there was no telling from which
direction they were being potted.
This being lamentably true with
the British in the Boer war, was
true with our own troops in Cuba,
and was exemplified again in the
conflict between the Russian and
Japanese. The Japanese brought
artillery practice down to a particu-
larly fine point. They bid their
guns and shot with deadly effect,
and there was no way for the en-
emy to locate their batteries and
shell them out of position. This
was particularly true during the
battle of Hai Cheng when they ab-
solutely smashed the Russian de-
fenses with batteries hidden be-
hind two hills where they never
were discovered. There have
been some experiments made by
the Austrians now with seismo-
graphs, the instruments used to
record earthquake shocks. These
instruments are very delicate and
show not only the direction from
which a shock comes, but the dis-
tance that it travels. Of course,
earthquakes are severe, and their
distance is usually a matter of
hundreds or thousands of miles.
But the seismograph has been
trained down to the point where it
tells the direction and distance of
a disturbance within a few thou-
sands yards. The Austrian experi-
ments have been very satisfactory,
and the American army is now
working along the same lines and
has been able to locate a hidden
battery very accurately. In this
way it is expected that smokeless
powder will be robbed of much of
its terrors.

How's This?
We offer One Hundred Dollars Reward for any
case of Catarrh that cannot be cured by Hall's
Catarrh Cure. F. J. CHENEY & CO., Toledo, O.
We have known Dr. F. J. Cheney for many years,
and know him to be a reliable and trustworthy
man. He is a native of Ohio, and has been
in the medical profession for many years. He
has been successful in curing many cases of
Catarrh, and his cure is the only one that
is reliable and trustworthy. He has been
successful in curing many cases of Catarrh,
and his cure is the only one that is reliable
and trustworthy. He has been successful in
curing many cases of Catarrh, and his cure
is the only one that is reliable and trust-
worthy. He has been successful in curing
many cases of Catarrh, and his cure is the
only one that is reliable and trustworthy.

Col. Bryan and Judge Parker
differ materially on state functions,
says a contemporary. And we may
add that they differ even more on
Presidential candidates.

SO SOOTHING

It's Influence Has Been Felt By So
Many Jefferson Readers.

The soothing influence of relief
After suffering from itching piles,
From Eczema or any itchiness of the
skin.

Makes one feel grateful to the remedy.
Doan's Ointment has soothed hun-
dreds.

Here's what one Jefferson citizen
says:

Mrs. G. W. Grubbs, living five miles
north of Jefferson, Texas, R. F. D. No. 2,
says: "Some time ago, I was greatly
troubled and suffered considerably
from a skin eruption in my feet. I tried
nearly everything that was brought to
my attention but none of the different
preparations seemed to do me the least
good. I happened to run across an
advertisement recommending Doan's
Ointment for such troubles and con-
cluded to try it, and going to the J. F.
Crow Drug Co.'s store, I procured three
boxes of the ointment. After the first
few applications I found that it was do-
ing me good, so continued, with the re-
sult that the trouble disappeared. There
has never been any return of it
since. Doan's Ointment is certainly a
fine preparation."

FACE TO FACE.

A New Problem For Women.

In the looking-glass a woman often sees
wrinkles, hollow circles under the eyes,
crow's feet—all because she did not turn
to the right remedy when worn down
with those annoying and distressing
facial troubles. Backache, headache, nerv-
ousness and the pains and drains of woman-
hood bring such untold suffering that the
face is sure to show it.

Every woman, young or old, is well pro-
tected from the blues, nervousness, back-
ache, and the many symptoms of discom-
fort prevalent among our women—if they
will conscientiously use Dr. Pierce's
Favorite Prescription, a safe and sure
remedy for the ills of womanhood, be-
cause it contains not a particle of alcohol,
drugs, or any deleterious drugs. Weak
women are made strong and sick
women are made well by this splendid
prescription which was used by Doctor
Pierce in his large private practice in the
specialty of women's diseases. Every
woman troubled in this way should
consult Dr. Pierce's Favorite Prescription
at the Hotel and Surgical Institute, Buf-
falo, N. Y.

Many times women call on their family
physicians, suffering as they imagine, one
from dyspepsia, another from heart dis-
ease, another from liver or kidney dis-
ease, another from nervous exhaustion or
prostration, another with pain here and
there.
